WE ASK THAT EVERYONE ATTENDING ADHERES TO THESE RULES IN ORDER TO KEEP A SAFE ENVIRONMENT FOR ALL PLAYERS AND SPECTATORS ATTENDING.

Below are some additional rules and precautions WSC will be taking. Email reminders will go out to participants several times prior to the event.

- Parents/spectators are expected to wear masks **AT ALL TIMES** while attending the Wellington Soccer Shoot out event in accordance with Local Mandates. Parents may be asked to disperse from an existing group of individuals, leave restricted areas, or leave the complex if they are not able to follow the protocols listed.
- At fields where fencing surrounds the field, the spectator area will be located on the outside of the fence.
- Where possible, parents must occupy space on the same side as their teams' technical/bench area, and every family must maintain 6ft distancing while on the field of play and spectator sidelines.
- The number of spectators per individual player should be limited to 1 or 2 individuals in order to allow for all families to have opportunities to watch the game while meeting socially distancing guidelines.
- Following the completion of a match, all spectators are expected to vacate the spectator areas immediately to allow for the next group to enter the field.
- Parents/spectators are asked to not gather at the field until 10 minutes prior to game start to allow previous spectators to exit.
